

You're Invited

COMMUNITY INFORMATION SESSION

On NASA Environmental Investigations & Cleanup of Areas it Administers at the
Santa Susana Field Laboratory

TUESDAY, MAY 4, 6-9PM

Radisson Hotel Chatsworth

9777 Topanga Canyon Boulevard, Chatsworth

AT THIS MEETING, YOU CAN:

Obtain information about results of site investigations and environmental conditions

View displays on the site background, history, environmental investigations and cleanup

Ask questions and learn more about current and future plans

Provide us the opportunity to hear your comments

THE MEETING WILL HAVE AN OPEN HOUSE FORMAT (ARRIVE AND DEPART AT ANY TIME).

We will have a Spanish-speaking person available at the meeting.

Va a haber un traductor de español disponible en la reunión.
